BENNY O. DILLON.

Benny O. Dillon died Saturday evening at 6:30 o'clock at his home in Sardis, after an illness with typhoid fever, aged 18.

A singular coincidence is the fact that his father died a year ago on the same date and almost the same hour.

Funeral in Sardis Church this afternoon at 1 o'clock; interment in Shannon Cemetery at 2:30.

MRS. MARY JANE CROWELL PIERCE.

Mrs. Mary Jane Crowell Pierce, one of Maysville's oldest and highly esteemed residents, died Saturday evening at 6:15 o'clock at her home in Limestone street, after a protracted illness, aged 89.

The deceased was a native of this city and with the exception of a few years had resided here all her long and useful life, loved and respected for her generosity and goodness of heart. She had been a life long and zealous member of the First Baptist Church.

She was preceded to the grave by her husband, Abraham Rhodes Pierce, nearly three years ago, since which she had gradually grown weary of life and was ready and eager when the summons came.

She is survived by an only sister, Mrs. M. A. Colvin, the last member of a once large family, besides nephews and nieces.

The funeral will take place tomorrow afternoon at 2 o'clock from her late home in Limestone street, with services by Rev. Rose Arnold of the First Baptist Church.

Interment in Maysville Cemetery.

2,279 GEESE

Come Into Maysville Over the L.
and N.—100 of the Juicy
Fowls Killed in
Transit

There was a tragedy in Gosweland here Saturday night.

Such a pitiful squawking at the L. and N. Depot Saturday night was never heard in Maysville. It was all caused by a big quadruple decked freight car loaded to the roof with a cargo of 2,279 geese, killed to Brightman & Co. of this city from a point near Saango Springs, in Beth county, Ky. The fowls were brought by Mr. Brightman to be fattened and killed for the Thanksgiving markets in the East and it was the biggest shipment of the kind ever received at Maysville.

The poor, squawking fowls were packed so tightly together that one of the upper decks broke down and fell upon the fowls below, and, when the car arrived here, there were 100 of them dead, as a result, and the thousands of other poor things in the car seemed to realize their condition and their antics and cries were painful to hear.

The dead ones were removed from the car and on Sunday morning the live ones, over 2,100, were taken out and driven on foot to the goose pens in the East End, where they will be fattened. The L. and N. is responsible for the loss which will reach near \$100.

Many of the dead geese were given to anyone who wanted them, and, 'tis said, several families in Maysville had a fat goose for dinner Sunday.

Father and son, John Jones, Sr., and John Jones, Jr., were fined \$10.50 each in the Police Court Saturday on a charge of drunkenness.

AUTOMATIC SIGNALS

The C. and O. has installed and now has in operation fifteen automatic tower signals between Broseburg Station and the Fairgrounds. There are thirty different colors worked automatically by passing trains. Each color is significant of a clear track, caution notice, slow up or stop, etc. Messrs. M. W. Bradley and G. W. Campbell, who have been engaged here for the past two months erecting the towers and putting the block signal system in operation at this point, left Saturday for Newport News, where they begin work on covering 150 miles of track between that city and Richmond, Va., with the improved system.

REV. E. R. OVERLEY ILL

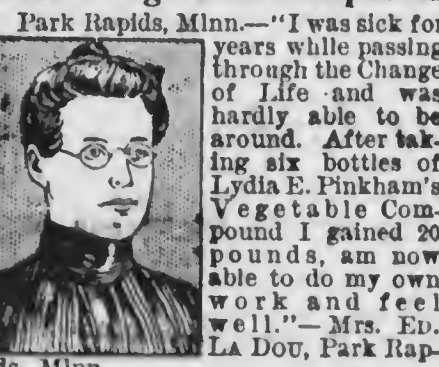

Rev. E. R. Overley, Pastor of the Third Street M. E. Church, was taken quite ill upon his return from the City Mission yesterday afternoon, where he had given a twenty-minute talk, so that he was unable to preach at the Harvest Home service last evening. It was decided by the Official Board to let the decorations remain and have the service next Sunday, providing the Pastor recovers sufficiently from his illness. A large audience had assembled when the news of the Pastor's illness and the consequent postponement of the service was announced. Much sympathy was expressed for their much-loved young Pastor, and all will pray for his speedy recovery.

The gorge marks 37 and falling.

AFTER SUFFERING FOR YEARS

Cured by Lydia E. Pinkham's Vegetable Compound

Park Rapids, Minn.—"I was sick for years while passing through the Change of Life and was hardly able to be around. After taking six bottles of Lydia E. Pinkham's Vegetable Compound I gained 20 pounds, am now able to do my own work and feel well."—Mrs. Ed. La Dou, Park Rapids, Minn.

Brookville, Ohio.—"I was irregular and extremely nervous. A neighbor recommended Lydia E. Pinkham's Vegetable Compound to me and I have become regular and my nerves are much better."—Mrs. R. Kinnison, Brookville, Ohio.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases we know of, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Every suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

If you want special advice write Mrs. Pinkham, Lynn, Mass., for it.

"Home Comfort"

The Most Wonderful Cooking
Range On the Market.

Indestructible and is the delight of the "Queen of the Home"—the housewife. Division Superintendent Emrick, with five salesmen and wagons, is making Maysville their headquarters and canvassing the Maysville and surrounding section. They have already sold 150 of these Ranges and expect to sell 100 more. They cost something, but one lasts a life-time, and a woman spends one-third of her time around a cooking stove. Greatest Range on earth, especially for country people. See the Maysville sellers.

The Misses Baugh of East Second street drove to Mt. Carmel Sunday to attend the burial of their cousin, little Herman Breeze.

DROWNED

Joseph Newton, aged about 30, son of Mr. James Newton of Aberdeen, was drowned yesterday afternoon near Moscow, O. His remains arrived here this morning on the C. and O. 10 o'clock train, and were taken to the home of his aunt in Aberdeen, from which place the funeral will occur. There are several reports as to the manner and cause of the young man's taking off—among others, suicide is mentioned.

CHRISTIAN CHURCH MEETING

At the Christian Church yesterday morning began a series of meetings to continue through the next two or three weeks, services beginning every evening at 7 o'clock. President Crossfield of Transylvania University, Lexington, is doing the preaching, and the singing is being conducted by Mr. E. J. Sturgis of Butler, Ind. The latter, at yesterday's services, charmed the congregations by his solos, and this part of the service promises in itself to be one of special interest.

Rev. Crossfield is one of the best known men in the Brotherhood and the masterful discourses delivered yesterday won for him a warm place in the hearts of his hearers. His strong personality, coupled with his charming style and keen intellect, makes him one of the finest pulpit orators that has been in Maysville for a long time, and much good is expected to result from the revival services.

The public is invited and urged to attend the meetings each evening at the Christian Church.

PHILLIES WIN WORLD'S SERIES

CHICAGO, October 23d—The baseball championship of the world belongs to the Philadelphia Club of the American League. They clinched the big pennant last today with seven runs to 2, from the Chicago Nationals and there was none in the big overflow crowd to say that they had not won it fairly and squarely.

SCORE BY INNINGS.

Philadelphia 1 0 0 0 1 0 0 5 0—7
Chicago 0 1 0 0 0 0 1 0—2
Attendance 27,000.

Five games were played and the Eastern youngsters took four by outbattling, outfielding and outbushing the veteran Chicagoans. They "got the jump" at the start, and although Chicago punctuated their progress with a defeat yesterday it really didn't change the situation.

The players' share of the money amounts to \$79,071.93 of the 60%, or \$47,443.15 goes to the winners and \$31,628.77 to the losers.

The total receipts of the series was \$173,979.92. The total paid admissions were 125,219 persons.

The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for anyone that it fails to cure. Send for list of testimonials.

SUNDAY-SCHOOL RALLY DAY

The Sunday-school Rally Day service at the Third Street M. E. Church yesterday was up to the expectations of the most sanguine. There were 142 present, the largest number ever at this school, and an offering amounting to near \$24. The Rally Day banner was won by Rev. Overly's class of young men, who can cure do things when they set their heads to it. The program, "The Life Herole," was very nicely and interestingly rendered, every one joining heartily in the various parts of the program. This school is now fully organized for an aggressive year's work. They invite every one not attending any school to join with them.

JUDGE TOMLIN

**A Man Who Would Honor
Office of Court of Ap-
peals Judge**

Tomlin of Walton, Boone county, was nominated for Judge of the Court of Appeals of the Sixth Appellate District. He

was nominated by acclamation by the Republican Convention at Maysville, September 20th. He expects to visit every county before the election November 8th, but it is doubtful if he will see a majority of the people. He therefore requests you to remember him when you go to the polls November 8th.

Mr. Tomlin is a native of Grant county, Ky., and was reared on the farm forty-eight years ago. His ambitious temperament, coupled with the most industrious habits and strict morality, has not only won him a high place in the public esteem, but every trust he has been called upon to fill he has discharged with honor and credit. He is a fine student of the law and having a splendid analytical mind, he would make an ideal Supreme Judge, and his many friends prevailed on him to make the race. He believes in right and justice prevailing without regard to individuals, prejudice or favoritism, and submits his case to the people with these principles as the basis for their support, and asks to be remembered at the polls November 8th.

Just a Few Words About OUR SHOES

It is about time for you to discard your slippers and buy you a pair of Fall Shoes. Of course, you are aware that we never offer any startling low prices in shoes. Our stock comprises the productions of the best shoe manufacturers in the country—Hanan, Nettleton, Walkover and Barker-Brown. Shoe dealers will tell you that the retailers' margin on these Shoes is less than on any others, but, like all our other merchandise, we wanted the best that could be gotten. We buy Shoes that we can tell our customers if they don't give reasonable satisfaction, come back and we will "make good." We are agents for the Witch Elk Shoes, which have the reputation of being nearer water-proof than any shoe that is made. They are not only fine for fishing and hunting, but also for every-day farm work. Prices, \$7, \$8.50 and \$10. These prices are according to the height of the tops.

Consumption Often Develops From Pneumonia

Consumption readily attacks those who have had pneumonia. Many sufferers from this disease give a history of having had pneumonia. The lungs thus become weak and are easily attacked by the germ which causes consumption, especially in the case of children. It is a proper precaution to take after pneumonia to have the lungs examined by a competent physician. If the lungs are found to be weak, the patient should be kept in bed for some time, and the diet should be carefully regulated. The patient should also take cod liver oil, which is a powerful lung tonic. The patient should also take the "Eckman's Alternative" cures Bronchitis, Asthma, Whooping Cough, and Lung Affections. Ask for booklet of cured cases and write to the Eckman Laboratory, Philadelphia, Pa., for additional evidence. For sale by all leading druggists and J. James Wood & Son in Maysville.

Doan's Kidney Pills never fail you.

Maysville people know this.

Read this Maysville case.

Read how Doan's stood the test

For three years.

It's local testimony and can be investigated:

William H. Paul, 333 East Third street, Maysville, Ky., says:

"For two years I had pains in my back and other troubles, caused by disordered kidneys. When Doan's Kidney Pills were brought to my attention I began their use and they soon gave me relief. I cheerfully recommend this remedy as one that lives up to the claims made for it."

The above statement was given on December 13th, 1904, and on February 6th, 1908, Mr. Paul added:

"My opinion of Doan's Kidney Pills has not changed since I first recommended them. My cure has been permanent and I am now in good health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Gas Light Talks—No. 37.

Mayor Lee's Question

About a week ago, Mayor Lee, in an open letter to local newspapers, asked a number of questions.

Just at that time, we were in the midst of a detail various public service matters which we desired to get off before taking up another subject.

Now, we intend to answer Mayor Lee's answer them in full.

We cannot, for the life of us, see how the concern him in any way, but we are rather cautious as, in answering them, we can bring out otherwise we should have had no good excuse.

However, it is going to take some time to answers to all of Mayor Lee's questions, so rest of you, to read the next few Talks carefully.

The Mayor has very thoughtfully numbered so we shall take them up in their regular order.

Who are the directors of the Maysville Gas Company? There being no such corporation in the honor means the Maysville Gas Company.

The directors are Horace J. Cochran, president, W. D. and W. H. Cox. Until his death, two years ago, W. H. Cox was a director. His place on the Board has not yet been filled.

That question being answered, we shall recount a little bit of the "Gas War," with which Mayor Lee and you are practically wrecked the stock of the Maysville Gas Company.

But no advantage was taken of this by the directors personal profit. No stockholder has ever been solicited to contrary, everyone who has talked of selling, has been on hold on, as a purchaser would not be justified in paying market stock.

The sole aim and effort of the directors has been to stock to its original value for the benefit of the stockholders, accomplishing this end, and only so, the directors will benefit holders and only as such.

The stockholders are fully aware of this, having been informed as to the policy of the company.
